**DISCLAIMER:** This student handbook is composed of most of the rules and regulations that students need to know while attending Tri County Area Schools. However, it does not include every rule, regulation, qualification, or other relevant information of the district or buildings. Tri County Area Schools will not waive students' responsibilities simply because a state regulation, district, or building policy is not included in this handbook. We will make every reasonable effort possible to see that students are informed either verbally or in writing. However, it is the students' responsibility to know the rules they must abide by while at Tri County Area Schools. Any changes made in state law, such as restorative justice practices, and/or school board policy after this handbook has gone to press may require information in the handbook to be amended. An addendum reflecting changes in policy or state law will be issued as soon as possible. We apologize for any inconvenience this may cause. This does not exempt students or parents from making themselves aware of and follow rules and policies added to the student code of conduct

# **GUIDES, POLICIES & STATEMENTS**

## **TRI COUNTY AREA SCHOOLS MISSION STATEMENT**

"Educate. Encourage. Empower."

### **A MESSAGE FROM THE PRINCIPAL**

On behalf of all the staff members, I would like to welcome you to Tri County Middle School. It is a privilege to serve as principal of a place filled with enthusiastic students willing to learn, supportive parents/guardians interested in their children's education, and a dedicated professional staff committed to providing the students with a quality education. We are proud to offer our students a wide range of options and support. Students may take accelerated math classes, band, woodshop, art, gym, or receive support in ELA and math classes. Our afterschool activities include football, soccer, cheer, cross country, basketball, wrestling, track, as well as odyssey of the mind.

Each day we see our students improve both academically and socially. Our students are consistently some of the top performers in the county on standardized testing. We focus on teaching our students the skills necessary not only to achieve at the high school level but also to become college and career ready. When parents partner with teachers, every child succeeds.

We look forward to working with you and your family this school year.

Mr. Williams  
Principal

### **SCHOOL IMPROVEMENT GOALS**

We believe all students need to be college and career ready. We know that if the students reach the goals below, they will be on pace to leave the High School college and career ready.

### **ELASTIC CLAUSE**

The school and administration reserve the right to establish fair and reasonable rules and regulations for things requiring actions that are not covered in the handbook that may arise. In all cases, rules, regulations, and possible consequences shall be as consistent as possible with previously established rules, regulations, and possible consequences for similar incidents. Matters omitted from the final list should not be interpreted as a limitation to the scope of the school's authority in dealing with any type of infraction that may not be in the best interest of the safety and welfare of the students of the middle school.

The policies and regulations within this handbook apply for all school sponsored activities and transportation, including those held before or after school and those held away from Tri County Middle School. Safe transportation is provided for all students through the Transportation Dept. If this is jeopardized, removal from the bus may be necessary.

**Parent Notification  
Right to Request & Review:  
Information Regarding Teacher Qualifications  
Assignment of Not Highly Qualified Teacher**

As a parent/guardian of a student in the Tri County Area School District, please be aware that only licensed and certified teachers and paraprofessionals are hired to serve our students. As part of the No Child Left Behind Act of 2001, parents and guardians have the right to request specific information about the professional qualifications of their child's classroom teachers. As a parent/guardian of a student in Tri County, you have the right to know when your child has been assigned to or has been taught, for four or more consecutive weeks, by a teacher who is not highly qualified. You also have the right to request the following information:

- (1) Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- (2) Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
- (3) The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- (4) Whether the child is provided services by paraprofessionals and, if so, their qualifications.

**Information on how to request the qualifications of your child's teacher(s) will be provided by their building principal.**

**NOTIFICATION OF RIGHTS UNDER FERPA**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the District receives a request for access.

Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask Tri County Area Schools to amend a record that they believe is inaccurate or misleading. They should write to the school principal; clearly identify the part of the record they want changed and specify why it is inaccurate or misleading.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the District discloses educational records without consent to officials of another school district in which a student seeks or intends to enroll. (NOTE: FERPA requires a school district to make a reasonable attempt to notify the student of the records request unless it states in its annual notification that it intends to forward records on request.)

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education  
600 Independence Avenue, S.W.  
Washington, D.C. 20202-4605

### **STATEMENT OF NON-DISCRIMINATION**

Applicants for admission and employment, students, parents, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the Tri County Schools are hereby notified that this institution does not discriminate on the basis of religion, race, color, national origin, sex, age, or disability in admission or access to, or treatment or employment in its programs, activities or policies.

No person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any educational program or activity available in any school on the basis of race, color, sex, religion, creed, political belief, age, national origin, linguistic and language differences, sexual orientation, gender, gender identity, gender expression, socioeconomic status, height, weight, marital or familial status, disability or veteran status. Any person having inquiries concerning the Tri County Schools' compliance with the regulations implementing Title VI, Title IX or Section 504 is directed to contact:

Mr. Allen Cumings  
Tri County Area Schools  
94 Cherry Street  
Sand Lake, Michigan 49343

Discriminatory harassment of any form is unacceptable to this school district and subject to disciplinary action.

### **SEXUAL HARASSMENT**

Sexual harassment is a violation of Title VII of the civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972 and the Michigan Elliott-Larsen civil Rights Act. Sexual harassment is a form of sexual discrimination. As sexual harassment is unacceptable to this school district, it is against the policy of this school district for any administrator, employee, independent contractor or volunteer (subsequently "Employee"), male or female, to sexually harass another employee, student or volunteer. The complaint procedure is available in the principal's office, superintendent's office, and/or guidance office.

## **ENROLLMENT**

Michigan law requires that a person enrolling a student in school provide the local or intermediate school district with a copy of the student's birth certificate and reliable proof of residency.

## **IMMUNIZATIONS**

Michigan state law requires that each new student provide verification of completed immunizations as required by the Michigan Department of Health. Students who have not received the required immunizations will be excluded from school until parents provide proof that all required immunizations have been given or have a waiver on file.

## **RESIDENCY**

"District of residence" means the district in which a pupil's custodial parent or legal guardian resides [MCL 388.1603]. If a student's parent or legal guardian resides in different districts, either district may enroll the student as a resident, regardless of which parent or legal guardian has custody [MCL 380.1148a]. A student who has reached age 18 or who is an emancipated minor is a resident of the district in which he or she resides. Out of district students may apply for "schools of choice" with participating districts within the specified time frame.

## **UNIVERSAL SCREENERS**

Throughout the school year, students will partake in academic, social-emotional, and health (vision/hearing) screeners. Their screeners are universal for all students. If parents/guardians choose not to have their student(s) participate, please contact, in writing, the building administrator to decline screeners.

## **VISITORS**

**For the protection of our students, all doors except the main entrance will be locked. All visitors are asked to report to the office and sign in before going anywhere in the building. Parents bringing things in for students are asked to bring them to the office and the items will be delivered.** *We ask that parents wait for their children outside at their child's designated pick-up area.*

## **VISITORS/VOLUNTEERS**

The Superintendent may direct appropriate screening processes be implemented to assure that adult volunteers are free of criminal convictions for any offenses involving children. Such processes may include the requirement for a criminal background check, application forms that require disclosure of any criminal convictions for crimes involving children, gathering of personal references, and other methods to assure that adult volunteers are suitable and acceptable for accompanying children on field trips, excursions, or as a classroom volunteer.

When serving as a chaperone for District field trips, the parents/guardians, or other adult volunteers, including employees of the District, assigned to chaperone, shall not use tobacco products in the presence of students, nor shall they consume any alcoholic beverages nor use any illicit drug during the duration of their assignment as a chaperone, including during the hours following the end of the day's activities for students. Chaperones shall be given a copy of these rules and sign a letter of understanding verifying they are aware of, and agree to, these District rules before being allowed to accompany students on any field trip or excursion. Any chaperone found to have violated these rules shall not be used again as a chaperone for any District sponsored field trips or excursions. Employees found to have violated these rules may be subject to disciplinary action.

## **MEDICATIONS**

### **Medication Policy: TCAS Policy #5330 & 5330.01**

The administration of prescribed medication and/or medically-prescribed treatments to a student during school hours will be permitted only when failure to do so would jeopardize the health of the student, the student would not be able to attend school if the medication or treatment were not made available during school hours, or the child is disabled and requires medication to benefit from his/her educational program.

Before any prescribed medication or treatment may be administered to any student during school hours, the Board shall require the written prescription from the child's physician accompanied by the written authorization of the parent. Both must also authorize any self-medication by the student.

Before any non-prescribed medication or treatment may be administered, the Board shall require the prior written consent of the parent who must also authorize any self-medication by his/her child. Medications will be administered by the District in accordance with the Superintendent's guidelines.

Only medication in its original container; labeled with the date if a prescription; the student's name; and exact dosage will be administered. Parents, or students authorized in writing by their physician and parents, may administer medication or treatment.

Students may possess and self-administer a metered dose or dry powder inhaler for relief of asthma, or before exercise to prevent onset of asthma symptoms, while at school, on school-sponsored transportation, or at any school-sponsored activity in accord with the Superintendent's guidelines, if the following conditions are met:

- A. There is written approval from the student's physician or other health care provider and the student or parent/guardian (if student is under eighteen (18)) to possess and use the inhaler (Form 5330 F1c)

And

- B. the building administrator has received a copy of the written approvals from the physician and the parent/guardian.

And

- C. there is on file at the student's school a written emergency care plan prepared by a licensed physician in collaboration with the student and his/her parent/legal guardian. The plan shall contain specific instructions on the student's needs including what to do in the event of an emergency.

Students with a need for emergency medication may also be allowed to self-possess and self-administer such medication, provided that they meet the same conditions established above. Students who are prescribed epinephrine to treat anaphylaxis shall be allowed to self-possess and administer the medication if they meet the conditions stated above.

## **EMERGENCY SCHOOL CLOSINGS**

Classes will be held whenever possible. If, however, weather conditions make it unsafe to transport children to school, the office of the superintendent will notify parents via the School Messenger automated calling system as early as possible, along with area radio, TV stations, and Social Media. If it is necessary to delay the start of school or dismiss early, the same procedure will be followed.

## **SAFETY DRILL INFORMATION:**

### **FIRE DRILLS**

Fire drills are held regularly to acquaint everyone with a system of clearing the building as safely and quickly as possible.

### **SAFETY DRILLS**

Tri County Area Schools recognize that there are certain types of emergencies other than weather-related that can occur in our society today. Therefore, we will conduct periodic safety drills.

### **TORNADO DRILLS**

The occurrence of a tornado during regular school hours is extremely unlikely. However, since the possibility exists, reasonable safeguards will be taken. The weather bureau issues the following tornado alerts: Tornado Watch- indicating conditions exist which may result in a tornado. Tornado Warning- indicating that a tornado has been sighted in the area. In case of a tornado watch, children will remain at school until the dismissal time. In case of a tornado warning, children will remain in school until the warning is lifted. If the warning extends beyond normal dismissal time, dismissal will be delayed, and buses will not run until the warning is lifted.

## **PROJECT FIND**

In Michigan we know that education begins at birth. We also know that some of our children need extra help or other related special services along the way. That's why Michigan's special education system helps children as young as newborns and up to age 26.

Project Find provides information about special education programs and services and helps arrange free evaluations to find out if a child is eligible for extra help from Michigan's public schools.

If your child, or a child you know is struggling in school or has a physical, emotional or communication problem that might help prevent success in school, please contact your building principal or Melissa Clegg, Tri County Area Schools Special Education Coordinator, at 231-937-4391.

## **CHILD ABUSE / NEGLECT**

Schools and other institutions shall cooperate with the Family Independent Agency Department during an investigation of a report of child abuse or neglect. Cooperation includes allowing access to the child without parental consent if access is necessary to complete the investigation or to prevent abuse or neglect of the child. However, the department shall notify the person responsible for the child's health or welfare about the department's contact with the child at the time or as soon afterward as the person can be reached. The department may delay the notice if the notice would compromise the safety of the child or child's siblings or the integrity of the investigation, but only for the time those conditions exist.

The State of Michigan requires that all members of licensed institutions be on the lookout for, and report to the State, any and all cases of suspected abuse or neglect of a child. The staff and other professionals that provide services to Tri County Middle School are therefore obligated by law to report any suspected cases of child abuse and/or neglect.

If the department has contact with a child in a school, all of the following apply:

a) Before contact with the child, the department investigator shall review with the designated school staff person the department's responsibilities under this act and the investigation procedure.

b) After contact with the child, the department investigator shall meet with the designated school staff person and the child about the response the department will take as a result of contact with the child. The department may also meet with the designated school staff person without the child present and share additional information the investigator determines may be shared subject to the confidentiality provisions of this act.

c) Lack of cooperation by the school does not relieve or prevent the department from proceeding with its responsibilities under this act.

## **SCHOOL TRANSPORTATION**

**Please refer to the Tri County Transportation Handbook. (\*Please note that the Transportation Dept. follows the same discipline policies as the high school and middle school.**

### **TRANSPORTATION POLICY - Athletics**

Students are expected to ride the bus to and from all athletic contests when a bus is provided. A student wishing an exception from this policy must present to the coach in charge a note signed by his/her parent or guardian explaining the reasons for the exception and who will be transporting the student. The note must be given to the coach and approved prior to the beginning of the trip. Under no circumstances will an athlete be allowed to ride to or from a contest with another student.

### **FOOD SERVICE**

Tri County Middle School serves meals every school day. Students may buy lunch or breakfast. If a doctor has determined that your child has a disability, and the disability would prevent the child from eating the regular school meal, the school will make any substitutions prescribed by a doctor at no extra charge.

### **DRUG FREE CAMPUS**

The Tri County Area School District is a smoke / vape free and drug free campus. The use of illicit drugs and the unlawful possession and use of alcohol is wrong and harmful. Our school district clearly prohibits the unlawful possession, use or distribution of illicit drugs and alcohol by students on school premises or as any part of any of its activities.

In an effort to keep the schools and district premises free of drugs, school authorities may use specially trained dogs to sniff out and alert staff to the presence of illegal controlled substances in school lockers.

Discipline sanctions (consistent with local, state and federal law), up to and including expulsion and referral for prosecution will be imposed on students who violate the standards of conduct. Descriptions of those sanctions are listed under Student Discipline Code of Conduct.

### **STUDENT INSURANCE**

The Board will offer students the opportunity to purchase insurance. Payments of medical expenses are made **ONLY IN EXCESS** over all other family or employer group insurance plans, which must contribute its maximum before the insurance takes effect.

## **USE OF OFFICE PHONE/STUDENT MESSAGES**

No student will use the office phone except for an emergency. Students may use their cell phone with permission in the office area only. Do not ask the office to deliver messages. Students will not be called from the classroom unless it is an emergency.

## **STATE MANDATED PERMANENT EXPULSION POLICY**

**Disclaimer: The District will always comply with the most recent Revised School Code and or current law.**

### **PRIOR POLICY AND PRACTICES**

This Policy supersedes any prior policies and/or practices with respect to student discipline for the student behaviors and described in this Policy. As stated in the student handbooks, students are also subject to expulsion for behavior in addition to the behaviors described here.

### **POLICY STATEMENT**

District students who possess a dangerous weapon in a weapon free school zone, or who commit arson in a public school or on public school grounds or commit criminal sexual conduct in a public school building or on public school grounds, shall be permanently expelled from this District and all Michigan public schools in accordance with applicable law.

### **DEFINITION**

A dangerous weapon is any object defined as a dangerous weapon by state for federal law; a gun, revolver, pistol, dagger, knife with a blade over 3 inches in length, pocketknife opened by a mechanical device, iron bar, or brass knuckles. In addition, a firearm, as defined by federal law, is prohibited. A weapon free school zone includes all public and private K-12 school buildings, school grounds and school vehicles used to transport K-12 students. Arson and rape are also defined in the Michigan criminal codes.

### **EXCEPTIONS**

A student who possesses a dangerous weapon in a weapon free school zone shall be permanently expelled, subject to possible reinstatement, unless the student can prove by clear and convincing evidence at least one of the following:

1. The alleged dangerous weapon was not possessed by the student for use as a weapon or for direct or indirect delivery to another person for use as a weapon;
2. The student did not knowingly possess the weapon;
3. The student did not know or have reason to know that the object was a dangerous weapon;
4. The student possessed the weapon at the suggestion, request, or direction of school administrators or police authorities to possess the weapon.

There is a rebuttable presumption that expulsion for possession of a weapon is not justified if both of the following are met:

- a. The school board or its designee determines in writing that at least 1 of the factors above has been established in a clear and convincing manner.
- b. The pupil has no history of suspension or expulsion.

There are no exceptions for students who commit arson or rape in school or on school grounds.

## ATTENDANCE POLICY

**MCL 380.1561.** (1) Except as otherwise provided in this section, every parent, guardian or other person in this state having control /charge of a child from age six to the child's sixteenth birthday shall send that child to a public school during the entire school year. The child's attendance shall be continuous and consecutive for the school year fixed by the school district in which the child is enrolled.

**MCL 380.1588.** The Attendance Officer, after giving formal notice prescribed in Section 1587, shall determine whether the parent or other person in parental relation has complied with the notice. The attendance officer shall make a complaint against the parent / other person who fails to comply with the court. The court shall issue a warrant upon the complaint and shall proceed to hear and determine it.

**MCL 380.1599.** A parent / other person who fails to comply with this part is guilty of a misdemeanor, punishable by a fine and/or imprisonment for not less than 2 nor more than 90 days or both

**MCL 380.1586.** If a child is repeatedly absent without a valid excuse or is failing in schoolwork or gives evidence of behavior problems and attempts to confer with the parent or other person in parental relationship to the child fail, the attendance officer may request the parent or other person in parental relationship to attend a meeting to discuss the child's irregularity in attendance, failing work, or behavior problems with the proper school authorities.

### PHILOSOPHY

- A. The Tri County Board of Education promotes a policy of high expectations and academic achievement for all students. It is important that children learn the value of prompt and regular attendance.
- B. Frequent absences from school disrupt the continuity of instruction and learning. When the student is absent frequently, the benefit of regular classroom instruction is lost and cannot be entirely regained. The process of education requires a continuity of instruction, classroom participation, learning experience and study in order to maximize each child's educational opportunity. This is the well-established principle of education that underlies and gives purpose to the requirement of compulsory school in this state.
- C. Attendance and punctuality in class are proper educational values and are part of the behavior expected of the student both in his/her academic setting and his/her community at large. A specific attendance procedure has been adopted by the Tri County Board of Education that is understandable and reasonable in its expectations of students and parents.

### EXCUSED ABSENCES

- A. A student receives an excused absence whenever he/she is given permission by the school principal/school attendance officer to leave or be dismissed from one or more classes, school-sponsored program or school-related activities. A student receives an excused absence when he/she is absent from school for the following reasons:
  - 1. Serious illness of a family member;
  - 2. Death in the family;
  - 3. Illness, injury, dental or medical services of the student. If a student has been absent from school because of illness and is at a school activity that day after school is dismissed, at a job, etc., he or she will receive an unexcused absence from school unless prior arrangements have been made with the high school principal.
  - 4. A required appearance in court;
  - 5. A required observance of a holiday or ceremony of the student's religion

- B. Absence for any reason other than the five (5) above-listed categories will be unexcused unless the principal determines that extenuating circumstances exist. Homebound teachers are provided on extended illnesses; pregnancy is not an extended illness.
- C. The verification of an absence shall be made in accordance with any reasonable method that establishes the fact of the reason for absence, including the following:
  - 1. phone call from parent;
  - 2. note or personal visit from parents;
  - 3. home call; or
  - 4. note from physician
- D. Parents/guardians must contact the school by phone or note within 24 hours following an absence to report the reason for absence. Excuses should be presented in the office before classes begin in the morning. The administration reserves the right not to excuse a student's absence if the excuse is known to be invalid.
- E. For an excused absence, a student will be allowed (3) days from their return to complete missed assignments. Full credit will be given for these assignments.
- F. It is the parents'/guardians' responsibility to make arrangements for securing schoolwork early enough during an extended absence in order for the student to maintain academic progress. Parents/guardians are to contact the school office before 9:00 a.m. to request their student's books and assignments. Students out of school for four (4) weeks or more may be provided with a homebound teacher.
- G. The principal and/or the individual classroom teacher will schedule a conference with a student to develop an attendance contract to resolve sporadic absence or attendance problems.
- H. Students who have excessive excused absences may be asked to provide a doctor's statement for any future absences.

### **UNEXCUSED ABSENCES**

Attendance guidelines per MAISD regarding unexcused absences:

- 1. Once your child has accumulated three (3) unexcused absences, the school truancy referral process will be started. You will receive a letter, phone call, home visit, or possibly all three, to alert you that your child is missing too much school. The school may refer to the Department of Human Services for prevention/intervention and/or may request MAISD Truancy Officer intervention.
- 2. Five (5) accumulated unexcused absences, the school refers the case to the MAISD Truancy Officer for follow up.
- 3. Eight (8) accumulated unexcused absences, the school and MAISD Truancy Officer refers the student/parent truancy case to the Prosecuting Attorney for judicial review/action.

Any student who is absent without proper verification will be considered truant (unexcused).

### **PRE-PLANNED ABSENCES**

Planned absences for personal reasons that the principal or his/her designee may consider justifiable when requested in advance. Planned absences for justifiable personal reasons will be based on the student's current academic performance and a pattern of regular school attendance. The student's teachers may be asked to review the request, but the final decision will rest with the principal or his/her designee. If the student does not meet the above-mentioned criteria, the request will be denied. If the student chooses to leave after the request has been denied, all days absent will be unexcused. Passing all classes will be considered an important criterion for favorable approval. If a student leaves school or class before the end of the regular school day for any reason without checking out in the office, they will be unexcused for the time missed unless the principal determines that extenuating circumstances exist that warrant an excused absence. Planned absence request forms may be obtained from the office.

## **DISCIPLINE POLICY**

The high school, middle school and the transportation department use these discipline policies:

### **INTRODUCTION**

The discipline policy of Tri County Middle School is designed to help students make better choices and decisions in the future. If it becomes apparent one mode of discipline is not effective, others will be tried. The first step is teacher contact with the parent(s) involving behaviors of a minor problem. Major discipline problems will be dealt with immediately and contact with parents made after the fact (i.e., smoking, fighting, disrespectful conduct, etc.). *Be aware our discipline philosophy is based on three general goals for our school.* They are:

1. To help students mature and learn acceptable behavior.
2. To provide a safe and effective learning environment for all students at Tri County Middle School.
3. To have students show respect to school property, student's property and all people at Tri County Area Schools.

Discipline procedures will range from parent contact and student/teacher discussions, detention assignments, lunchtime detentions, in-school suspensions, and out-of-school suspensions.

It is important that parents, staff and students work together to maintain a positive, educational atmosphere. Our goal is that each student learns to be responsible for his or her own actions. Every student and staff member has a right to personal safety and freedom to learn. With regard to discipline procedures, consistency for both administration and staff is held as a high priority. With changing trends in fads and items available on the market it would be impossible for the administrators of this school to list every potential problem that could surface at the school. In cases that for some reason are not listed in the discipline code, where behavior is disruptive to the normal school day or endangers the health, safety, and welfare of students or the student body/school staff, please be assured that discipline will be reasonable and just to correct the behavior.

There are five (5) basic disciplinary actions available to teachers and administrators, which are listed below with a brief explanation of each:

### **DETENTIONS/SUSPENSIONS**

**Detentions** This hour is considered part of the school day. Students who are assigned this form of discipline will be required to attend for the entire hour. No transportation is provided by the school. If a student receives a detention, he/she will bring home a referral slip explaining the reason for the detention. Detention will be served from after school to one hour after school.

- BEHAVIORAL DETENTIONS:** Before or after school behavioral detentions may be given to any student who fails to comply with school rules. A student is expected to act in a respectful manner. Appropriate counseling may take place following the first behavioral detention.
- STUDY SESSIONS:** Study sessions will be given at the discretion of the classroom teacher. These sessions will be served with the issuing teacher. Academic study sessions will not be counted as behavioral detentions. Missing study sessions may result in receiving no credit for missed work or a behavioral detention.
- IN-SCHOOL SUSPENSION:** In-school suspensions will result for serious misconduct, missed detentions by assigned due dates, or truancy concerns. Students will be expected to exhibit appropriate behavior while assigned to in-school suspension. A student that is unable to complete the in-school suspension due to behavior issues may receive an out-of-school suspension. All students will receive a lunch at their everyday cost, which meets federal guidelines, and restroom breaks.
- LUNCH DETENTIONS:** Lunch detentions are served for minor offenses and tardies. A student is assigned a lunch detention to be served for the entire time of the lunch period including recess. Students can get their lunch but must eat it in a quiet, monitored setting.
- OUT-OF-SCHOOL SUSPENSION:** Out-of-school suspensions will result for serious misconducts

and/or as part of the progressive disciplinary action to help students modify unacceptable behavior(s) when it appears other measures are ineffective.

Automatic out-of-school suspensions are the possible consequences for the following situations: possession of fireworks, possession of, use of and/or sale of drugs, alcohol, tobacco, and fighting. These items do not cover every situation but are only the general areas.

Out-of-school suspensions/in-school suspensions will be assigned by the principal and assistant principal only and may be from one to ten days in duration. Regardless of the length of suspension, all homework must be made up within three days after returning to class. In cases where suspensions do not change a student's behavior, a contract may be made between the principal, assistant principal, parents and student or a recommendation for expulsion from school will be filed with the Superintendent of Schools for presentation to the Board of Education. Students participating in athletics, band, or other after school activities will be prohibited from participation/practice when they are serving a detention or suspension.

**If a snow day occurs on an assigned day of out-of-school suspension/in-school suspension, the day will not count as a suspension day. Exclusion from school related activities will occur during the suspension. Homework will be made available.**

In order to provide the best educational environment for students at Tri County Middle School, good discipline is essential. Mutual respect between students and school staff is important.

### **SUSPENSION OF EXTRA-CURRICULAR ACTIVITIES**

Since school dances are a privilege, a student may lose the privilege of attending the next dance and future dances if the student is not in good standing. This includes but is not limited to students who:

1. Have three or more in-school suspensions,
2. More than 1 day of out-of-school suspensions from school,
3. Violation of alcohol, illegal drugs, dab pens, etc.,
4. Weapons violation,
5. Vandalism or destroying property,
6. Attendance that is in violation of the ISD truancy policy.

The administration reserves the right to deny admittance to the dance to any student or guest.

Students who are denied the right to attend a dance will be given written notification when they receive their disciplinary action or upon notice of violation of the attendance policy.

### **STUDENT DISCIPLINE CODE OF CONDUCT**

The Tri County Area Schools Board of Education does hereby establish the following categories of misbehavior that may result in a range of disciplinary actions from verbal and written reprimands to out-of-school suspensions or expulsion from school of any student regardless of age, under its jurisdiction. This list is offered as an example of unacceptable behavior (but is not limited to), and it is not intended to be all-inclusive. These policies are applicable to all school-related activities and also apply while the student is on school property, before or after school, enroute to and from school on district provided transportation.

The disciplinary action identified for the various types of unacceptable behavior enumerated in the student's disciplinary code of conduct; state a range of disciplinary actions that may be imposed. Administration may request parent meetings when negative behavior requires such action. These meetings may also include the presence of the superintendent. The school district reserves the right and discretion to impose more severe disciplinary action, up to and including expulsion for unacceptable behavior regardless of whether it is the first offense.

It is the policy of the District to provide a safe and nurturing educational environment for all of its students. This policy protects all students from bullying/aggressive behavior regardless of the subject matter or motivation for such impermissible behavior. Bullying or other aggressive behavior toward a student, whether by other students, staff, or third parties, including Board members, coaches, parents, guests, contractors, vendors, and volunteers, is strictly prohibited. This prohibition includes written, physical, verbal, and psychological abuse, including hazing, gestures, comments, threats, or actions to a student, which cause or threaten to cause bodily harm, reasonable fear for personal safety or personal degradation. To view our complete policy regarding bullying, please refer to our Board Policy, TC-5517 and TC 5517.01, which is available on our website, [www.tricountyschools.com](http://www.tricountyschools.com). Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff, and volunteers to provide positive examples for student behavior. This policy applies to all "at school" activities in the District, including activities on school property, in a school vehicle, and those occurring off school property, if the student or employee is at any school-sponsored, school-approved, or school-related activity or function, such as field trips or athletic

events where students are under the school's control, or where an employee is engaged in school business. Misconduct occurring outside of school may also be disciplined if it is determined to interfere with the school environment.

## **NOTIFICATION**

Notice of this policy will be annually circulated to and posted in conspicuous locations in all school buildings and departments within the District and discussed with students, as well as incorporated into the teacher, student, and parent/guardian handbooks. State and Federal rights posters on discrimination and harassment shall also be posted at each building. All new hires will be required to review and sign off on this policy and the related complaint procedure. Parents/Guardians of the alleged victim(s), as well as of the alleged aggressor(s), shall be promptly notified of any formal complaint. The results of the investigation to the extent consistent with student confidentiality requirements will be reported. A record of the time and form of notice or attempts at notice shall be kept in the investigation file. To the extent appropriate and/or legally permitted, confidentiality will be maintained during the investigation process. However, a proper investigation will, in some circumstances, require the disclosure of names and allegations. Further, the appropriate authorities may be notified, depending on the nature of the complaint and/or the results of the investigation.

## **IMPLEMENTATION**

The Superintendent is responsible to implement this policy, and may develop further guidelines, not inconsistent with this policy. This policy is not intended to and should not be interpreted to interfere with legitimate free speech rights of any individual. However, the District reserves the right and responsibility to maintain a safe environment for students, conducive to learning and other legitimate objectives of the school program.

## **PROCEDURE**

Any student who believes he/she has been or is the victim of bullying, hazing or other aggressive behavior should immediately report the situation to the Principal or Assistant Principal. The student may also report concerns to a staff member or counselor who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building Principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President. Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports shall be made to those identified above. Reports may be made anonymously, but formal disciplinary action may not be taken solely on the basis of an anonymous report. The Principal (***or other administrator as designated***) shall promptly investigate and document all complaints about bullying, aggressive or other behavior that may violate this policy. The investigation must be completed as promptly as the circumstances permit after a report or complaint is made. If the investigation finds an instance of bullying or aggressive behavior has occurred, it will result in prompt and appropriate remedial action. This may include up to expulsion for students, up to discharge for employees, exclusion for parents/guardians, guests, volunteers and contractors, and removal from any official position and/or a request to resign for Board members. Individuals may also be referred to law enforcement or other appropriate officials. The individual responsible for conducting the investigation shall document all reported incidents and report all verified incidents of bullying, aggressive or other prohibited behavior, as well as any remedial action taken, including disciplinary actions and referrals, to the Superintendent. The Superintendent shall submit a completed report to the Board on an annual basis.

Retaliation or false allegations against any person who reports, is thought to have reported, files a complaint, participates in an investigation or inquiry concerning allegations of bullying or aggressive behavior (as a witness or otherwise), or is the target of the bullying or aggressive behavior being investigated, is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy, independent of whether a complaint of bullying is substantiated. Suspected retaliation should be reported in the same manner as bullying/aggressive behavior. Making intentionally false reports about bullying/aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

## **GRIEVANCE PROCEDURES FOR HARASSMENT**

(How to File a Harassment Complaint)

**It is a violation of the law and of school rules for any student or staff member to harass or intimidate another student or staff member.**

**Step 1:** If you are the recipient of unwanted behavior, communicate to the offender 1) what you are feeling, and 2) that you expect the behavior to stop. The importance here is your sense of safety. Thus, the following options are available for you to do the above: 1) Tell the person directly to stop the unwanted behavior, 2) communicate to the person in writing to stop the unwanted behavior, or 3) go to a safe contact person, such as your school counselor or a teacher, for support in telling the person to stop the unwanted behavior.

**Step 2:** If the unwanted behavior is repeated, go to a person in authority such as the principal or assistant principal. Document exactly what happened. Give a copy of your written record to the person in authority and keep one for yourself.

Your document should include the following information. Use exact quotes where appropriate and whenever possible.

1. What happened
2. When it happened
3. Where it happened
4. Who did the harassing
5. Who the witnesses were (if any)
6. What you said &/or did in response to harassment
7. How your harasser responded to you
8. How you felt about the harassment

**Step 3:** If the unwanted behavior is repeated, go back to the principal or assistant principal documenting the behaviors stated in **Step 2**. Give a copy of your written record to the person in authority and keep one for yourself.

**Step 4:** If unwanted behavior does not stop, you may either go back to the principal or assistant principal or go to a person in higher authority, such as the superintendent or a school board member documenting the behaviors stated in **Step 2**. Give a copy of your written record to the person in authority and keep one for yourself.

## **REVISED DRESS CODE (MARCH 2024)**

Excepting cases stemming from extreme overt behavior, it is expected that parental conferences would have been held at the building level prior to the expulsion recommendation. The following procedure shall be followed:

Representing Tri County Area Schools through interscholastic sports is considered an honor. Once a student achieves a position on a team, that person must abide by certain conduct and eligibility requirements during the entire year (this includes vacations and summertime) and indeed during their entire participation in athletic programs at Tri County. These requirements are necessary because young men and women representing Tri County should be setting a good example for younger students as well as for their fellow students and the community as a whole. We are proud of our athletic teams and only those who maintain satisfactory scholastic standing and good conduct will be part of them.

#### **Weekly Eligibility:**

- Teacher's input grades by the end of the day each Wednesday.
- Eligibility checks are run every three weeks, on Wednesday morning, beginning the first week of tryouts and continuing from there on.
- Student-Athletes with one or more E's will be ineligible to compete but will be required to attend all meetings and practices.
- Student-Athletes with E's will be given a letter by the Athletic Department on Wednesday afternoon (see attached)
- Student-Athletes must show this letter to those teachers listed on the letter who are reporting the E. The teachers will check the appropriate box, sign and student-athlete must return the letter back to the Athletic Department before the end of the school day on Friday. Failure to do so will result in automatic ineligibility.
- Once a Student-Athlete is on the Ineligible List, they must take the original letter around to the teachers every Thursday until the E has been raised, following the rules laid out above.
- We will take into consideration excused absences and their effect on his/her grades.
- Ineligibility runs from Sunday - 8:00 am through Saturday - 8:00 pm.
- This process will be considered as the appeal process if a student-athlete feels there is a discrepancy.
- The Building Principal can overrule any eligibility issue at any time.

#### **CONDUCT**

Scholastic eligibility is important and so is conduct either in or out of school. Young men and women participating in sports are expected to follow all school rules properly and maintain good conduct outside of school.

- A. Any student suspended from the regular academic program (both in-school or out of school suspension) for a violation of school rules or discipline may not participate in the athletic program during the period of suspension. In addition, the student may be declared ineligible to participate in athletics for a period exceeding the period of the academic suspension pursuant to the rules and procedures set forth in this athletic eligibility code.
- B. A student suspended from one Tri County Area Schools District school is ineligible to take part in athletics in another school until he presents a clearance card from the school from which he has been suspended.
- C. All participants must be in attendance the entire day at school to play in an athletic contest if school is in session all that day. Any exception must be granted by the school Principal before school is dismissed the day of the contest.
- D. Athletes must be in school the day after a game played during the week. If they are out of school without a good excuse, they will be ineligible for the next contest. Being tired is not an excuse.
- E. Anyone quitting a team must consult with his/her coach and then turn in his/her uniform within one week. Any student failing to follow said procedure will be ineligible to participate during the next athletic season or sport for one game or contest for every week the equipment is late.
- F. No student shall be allowed to wear an athletic uniform other than at an athletic contest

connected with Tri County unless given permission to otherwise by his coach. The penalty for a violation of this rule will be determined by the coach of the team involved, subject to review by the athletic director and the principal.

G. Use of possession of tobacco products, alcohol or other harmful substances and use or possession of narcotics or habit-forming drugs are prohibited.

H. Any conduct in or out of school that is detrimental to the school or to the team is prohibited. Examples might include, but are not limited to: theft, insubordination, fighting, destruction of property, arson.

I. Tri County Middle School will follow the NCAA List of Banned Substances.

J. Any athlete serving an athletic code violation suspension must remain academically eligible during suspension. If this does not occur, the suspension will be extended to include those weeks the athlete was academically ineligible.

### **PENALTIES FOR G & H ABOVE**

The following penalties are considered minimum penalties and may be increased if circumstances warrant.

**First offense:** Athlete will be suspended for one-half (50%) of the contests in the sport in which they are presently participating in. If the suspension is not fully executed, it will carry over into the next season in which the athlete participates.

**Second offense:** Athlete shall be suspended for three-fourths (75%) of the contests in the sport in which they are presently participating in. If the suspension is not fully executed, it will be carried over into the next season in which the athlete participates.

**Third offense:** Suspension from participating in all athletic programs for a period of one full calendar year.

### **General Penalty Guidelines:**

- A. Any athlete turning themselves in for an athletic code violation, or seeking/completes outside treatment on their own, will have their penalty decreased by 10% on a first or second violation only. Administrator and athlete may also apply restorative justice to decrease the penalty by 10%.
- B. Any athlete serving a suspension will not be put up for all-conference, all-area, or all-state recognition.
- C. Any Tri County student convicted of or pled guilty or nolo contendere (no contest) to a felony will lose their eligibility for the remainder of their time at Tri County. If final sentencing is less than a felony, the penalty will be reconsidered if requested by the athlete or their parents, to the Superintendent. A committee comprised of three (3) Board Members, the Athletic Director, and the Superintendent will make the final determination.
- D. If suspension cannot be fully served during present sport season, it will carry over into the next sport season the athlete participates in.
- E. If violation occurs when the athlete is not currently participating in a sport, the suspension will be served during the next season that the athlete participates in.
- F. During suspension, athletes will be required to participate in all practices and attend all games (out of uniform). The athlete will not be allowed to participate, however, on any days she/he is suspended from school.
- G. Tri county will uphold any athletic code violation suspension from another school if a student transfers during their suspension/delay of play.

### **DUE PROCESS AND PROCEDURE**

- A. The coach of the sport in question (Principal and Athletic Director for alleged out-of-season violation) will conduct an investigation and review of any allegation of a violation of the above rules of conduct, excluding questions of scholastic ineligibility. This investigation and review may include consultation with the student under investigation and his parents or guardian. If

- a student is reasonably suspected of being in violation of a rule, the student shall be notified of the charges against him and given an opportunity to respond. The student may be temporarily suspended from the team pending an immediate investigation and review. The student and parents/guardian shall be informed of any temporary athletic suspension.
- B. The investigation and review will be completed by the coach as soon as is reasonably possible. Upon completion of his investigation and review, if an athletic code violation is found to exist, the coach will report to the Athletic Director and investigation and review result in discipline being imposed, the student and/or the student's parents or guardians will be given written notice of the nature of the violation, a brief summary of the evidence in support of the finding of a violation, and notice of the penalty to be imposed.
  - C. The student and/or the student's parents or guardians will be given an immediate opportunity to meet with the Superintendent or his designee if they so request. At such meeting, the student and/or the student's parents or guardians will be afforded the opportunity to present evidence in extenuation and mitigation of any violation. Upon the conclusion of this review, the Superintendent or his designee may affirm, modify, or vacate the charged violation and/or the penalty, in whole or in part. The Superintendent's decision is final.
  - D. Athletic Code Violation Report forms are available from the Athletic Director for any person wanting to report a violation of the Athletic Eligibility Code.

## **UNDERSTANDING CONCUSSION**

### Some Common Symptoms

#### **WHAT IS A CONCUSSION?**

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a fall, bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. A concussion can be caused by a shaking, spinning or a sudden stopping and starting of the head. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious. A concussion can happen even if you haven’t been knocked out.

You can’t see a concussion. Signs and symptoms of concussions can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If the student reports any symptoms of a concussion, or if you notice symptoms yourself, seek medical attention right away. A student who may have had a concussion should not return to play on the day of the injury and until a health care professional says they are okay to return to play.

#### **IF YOU SUSPECT A CONCUSSION:**

1. **SEEK MEDICAL ATTENTION RIGHT AWAY** - A health care professional will be able to decide how serious the concussion is and when it is safe for the student to return to regular activities, including sports. Don’t hide it, report it. Ignoring symptoms and trying to “tough it out” often makes it worse.
2. **KEEP YOUR STUDENT OUT OF PLAY** - Concussions take time to heal. Don’t let the student return to play the day of injury and until a health care professional says it’s okay. A student who returns to play too soon, while the brain is still healing, risks a greater chance of having a second concussion. Young children and teens are more likely to get a concussion and take longer to recover than adults. Repeat or second concussions increase the time it takes to recover and can be very serious. They can cause permanent brain damage, affecting the student for a lifetime. They can be fatal. It is better to miss one game than the whole season.
3. **TELL THE SCHOOL ABOUT ANY PREVIOUS CONCUSSION** - Schools should know if a student had a previous concussion. A student’s school may not know about a concussion received in another sport or activity unless you notify them.

#### **SIGNS OBSERVED BY PARENTS:**

- |  |   |  |
|--|---|--|
| ◆ Appears dazed or stunned                 | ◆ Can’t recall events to or after a hit or fall | ◆ Answers questions slowly                     |
| ◆ Is confused about assignment or position | ◆ Is unsure of game, score or opponent          | ◆ Loses consciousness (even briefly)           |
| ◆ Forgets an instruction                   | ◆ Moves clumsily                                | ◆ Shows mood, behavior, or personality changes |

#### **CONCUSSION DANGER SIGNS:**

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. A student should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- |                                   |                                  |                                   |
|-----------------------------------|----------------------------------|-----------------------------------|
| ◆ One pupil larger than the other | ◆ Cannot recognize people/places | ◆ Is drowsy or cannot be awakened |
|-----------------------------------|----------------------------------|-----------------------------------|

- ◆ Becomes increasingly confused, restless or agitated
- ◆ Slurred speech
- ◆ A headache that gets worse
- ◆ Convulsions or seizures
- ◆ Has unusual behavior
- ◆ Loses consciousness (even a brief loss of consciousness should be taken seriously)

### **HOW TO RESPOND TO A REPORT OF A CONCUSSION:**

If a student reports one or more symptoms of a concussion after a bump, blow, or jolt to the head or body, s/he should be kept out of athletic play the day of the injury. The student should only return to play with permission from a healthcare professional experienced in evaluating for concussion. During recovery, rest is key. Exercising or activities that involve a lot of concentration (such as studying, working on the computer, or playing video games) may cause concussion symptoms to reappear or get worse. Students who return to school after a concussion may need to spend fewer hours at school, take rests, breaks, be given extra help and time, spend less time reading, writing or on a computer. After a concussion, returning to sports and school is a gradual process that should be monitored by a healthcare professional.

Remember: Concussion affects people differently. While most students with a concussion recover quickly and fully, some will have symptoms that last for days, or even weeks. A more serious concussion can last for months or longer. To learn more, go to [www.cdc.gov/concussion](http://www.cdc.gov/concussion).

## **STUDENT RECORDS**

### **Introduction**

Every student at TCMS has a cumulative folder (CA60). The record was started at the beginning of elementary school.

Included in the cumulative folder are the student's identification information, health records, academic transcript, standardized test scores, behavioral history, and other documentation relating to the student's school experience.

Under the Family Education Rights and Privileges Act, 1974, the parent/guardian of a student under the age of sixteen years, and a student eighteen years or older, have the right to examine records and data of the school district that is personally related to the student. They have the right to challenge the contents of such records as to their accuracy and fairness.

The procedures for examination and challenge of school records are contained in Board of Education policy and may be obtained from the Tri County Area Schools Superintendent.

### **Right to Object to Release of Directory Information**

In general, school officials will obtain written permission from the parent of a student before releasing information from the student's school records.

Federal law allows school districts to disclose directory information about students without parental consent. Directory information includes: student name, gender, address, date of birth, major field of study, participation in extracurricular activities, height and weight of members of athletic teams, dates of attendance, and awards received.

A parent may request that directory information about the student be released only with written permission.
