District News

Message from the Superintendent . . .

It seems you can almost hear the buzz in the air surrounding the 2023-2024 school year. We have not had this much excitement here at Tri County Area Schools since the inception of our district in the fall of 1962 or the opening of our high school in 1992. The opening of the new Tri County Elementary school, and the move toward the central campus, will establish a new chapter in the great legacy of Tri County Area Schools. We are excited you are a part of this legacy.

We are so eager to see our K-5 students enter the new elementary. Each classroom will have improved technology, new furniture, and lockers in the classroom. The building is also equipped with a full library and a Specials wing with dedicated classes for STEM, Art, Music and Gym. Over the summer our teachers have also been preparing for a new and updated K-5 Math curriculum and a new Reading curriculum. We are thrilled that as students step into this state-of-the-art education facility that we can also provide updated curriculums that will improve educational outcomes.

While the elementary is the focal point of the new central campus, we are excited about the addition of the Cafetorium at the High School, which is a fully acoustical auditorium that will be used for concerts and musicals. During the day the theater seating retracts allowing us to use the space as a cafeteria. The High School will also unveil new science labs, updated carpet, and air conditioning for all classrooms.

The Middle School is undergoing a major interior overall. We are painting classrooms, installing new carpet, new student furniture, and the gym floor has been sanded down to its original color and will be updated with new paint, and new bleachers will be installed.

All this work is being completed to better support Educating, Encouraging and Empowering our students. It is our community who has made this vision come to life, and the students are Encouraged by your commitment to them. Many students from every level have shared their appreciation and excitement that they are getting what they see other schools have. As a community we are Empowering our students and we are fueled with excitement for the outcomes this school year and future years will have.

Sincerely,

Allen Cumings

Bond Work Ramps Up

Adventures in TC Summer Childcare

by Mikayla Schank, TC Childcare Co-Director

When we think of summer, we think about all the adventures that can be enjoyed. TC Summer Childcare has had a summer full of adventures! TC Summer Childcare visited many businesses over the summer to learn about how they run. Students got to visit Dairy Bear, BC Pizza, Leppinks, Howard City Lanes, Howard City Veterinarian, and so many more! And, thanks to the Croton Township Rec. Program, we also got to visit Camp Harvest and had a special visit from the Newaygo Police Department.

TC Childcare got exclusive visits with local families. The Clegg Farm family gave students the opportunity to see how a farm operates and all the hard work that goes into it. The Bartholomy Family gave our kids the chance to see how to care for Chickens.

The students at TC Childcare also enjoyed many hikes throughout the summer. Our community is surrounded by so many beautiful parks and nature trails. We visited the Wetland Trails, Marshall Park, Hemlock Park, Card Wildlife Center, Conklin Park Nature Trails and several playgrounds.

TC Childcare has had an action-packed summer! When not on a field trip, we were putting our minds to work by reading, working on stem activities, cooking, building, playing games, learning about animals, and doing crafts. Our summer would not have been nearly as successful and adventurous if it weren't for our supportive community and local businesses.

From everyone at TC Childcare, thank you!

TC Childcare Now Taking Applications for Before & After School Care

Board of Education News

BOARD BRIEFS

Dear Tri County Community,

Welcome to the August Edition of Board Briefs. For this article, I get to write about something awesome! Specifically, we're super excited for TC students and staff to begin the 2023-2024 school year on a central K-12 campus!

Starting with the launch of the new Tri County Elementary, and continuing with numerous improvements for both the High School and Middle School, our heartfelt appreciation goes out to the community for their bond support in 2019, which made this central campus a reality. These improvements reflect your commitment to providing the best possible educational opportunities for all of our children.

The new elementary marks the beginning of a journey filled with endless possibilities for our students, teachers, and families. The spacious and modern classrooms are equipped with the latest technology in a design that encourages collaboration, critical thinking, and creativity. High School students will benefit from the new cafeteria that was creatively designed to serve not only as a cafeteria but also as a performing arts facility. And wait until you see the Middle School gym! It was installed in 1962, and although it served its purpose well over these last six decades, the floor was long overdue for a full restoration.

This fall we're also looking forward to resuming "Conversations with Community" at all home varsity football games (weather permitting). We'll have a 'board table' set up with helpful information and handouts (such as the school calendar) etc. Please stop by to say 'Hi!' and share your thoughts or feedback. We'll do our best to answer any questions you may have, or we're more than happy to just chat.

Thank you for all that you do!
We Are TC!!!

Sincerely,

Jill Fennessy, President
Board of Education
Tri County Area Schools

2023-2024 Athletic Ticket Info

All-Sport Passes will be available for purchase beginning Wednesday, August 23rd. Passes can be purchased from the high school office and at all home Varsity football games.

Ticket holders will be able to attend all high school and middle school events, with the exception of any state tournament events that Tri County might host. Senior citizens age 60 and over may visit both the Athletic Office located at the high school or the Educational Service Center in Sand Lake for a Lifetime Golden Age Pass for free admission to all school sponsored league events (some restrictions apply).

Ticket Prices for Individual Events:

Student & Adult - \$5.00 ea.

Family - \$15.00 (includes 1 or 2 adults & minor children)

All-Sport Ticket Prices for 2022-2023:

Student - \$50.00

Adult - \$70.00

Family - \$175.00

GOOD THINGS ARE HAPPENING... NEW FACES AT TCAS

Daniel France - MS Special Education

Mr. France comes to Tri County by way of Georgia, where he taught Special Education. He will join the Middle School Special Education team, where he will work with 8th grade students. Dan is also a football fan, having played at Michigan State University, and professional football for 4 years before taking his passion into the classroom. He describes himself as enthusiastic and resourceful with a commitment to social and academic growth of each student. Dan is looking forward to forging meaningful relationships and two-way trust with students and parents. Our TC family welcomes Dan!

Renee Scheuneman - 1st Grade

Ms. Scheuneman joins our 1st grade team at Tri County Elementary. She has a Master's degree in Early Childhood Education and a Bachelor's degree in Elementary Education, with minors in Language Arts and Integrated Sciences. Before coming to TC, Renee owned and operated an in-home Early Childhood Program. She also spent time teaching 1st grade for Lakeview Community Schools and also in Fayette, NC. Through her experiences, Ms. Scheuneman has become a passionate, creative, and effective teacher. We are excited to welcome Renee into our Viking family!

Kattie Westgate - 4th Grade

Mrs. Westgate is a familiar face here at TC! Kattie is a former TC graduate and first worked for Tri County as a paraprofessional, part-time secretary and substitute teacher, all while pursuing her teaching degree. She begins her teaching career teaching 4th grade here at Tri County. Kattie earned her Bachelor's degree in Elementary Education, with minors in English Language Arts and Integrated Science from Ferris State University. Kattie looks forward to continuing the great existing relationships she has built with staff and students and is excited to build new ones with her 4th grade students and families! Welcome home Kattie!

Colleen Heyboer - MS Math

Ms. Heyboer will join the Math dept at our middle school and will work with our 6th grade students. She comes to us by way of Northview Public Schools, where she taught both middle school and elementary school. Colleen received Master's degree in Educational Leadership and Bachelor of Science degree from Grand Valley State University. She believes students are genuinely inquisitive, and her desire is to work collaboratively with students, parents, and staff members to continue to pursue excellence for all students. Welcome to TC Colleen!

Aaron Roskamp - HS PE/Health

Aaron begins his teaching career here at Tri County, taking over the PE/Health classes at the high school. Mr. Roskamp earned his Bachelor's degree in Secondary Health and Physical Education from Central Michigan University. He also brings his experiences from working with young people at Camp Blodgett Summer Camp, and as an assistant football coach at Sparta High School, where he did his student teaching. Aaron looks forward to getting involved in the Tri County community in ways that he can make a positive impact. Welcome to TC Mr. Roskamp!

Joe Larson - Tech Support Specialist

Joe Larson joins our Technology Dept. as a Technology Support Specialist. Joe is a former TC graduate and comes back to us after serving 20 years in the U.S. Navy, where he received numerous awards for his service. Along with his knowledge of computer software and technology, Joe brings with him a professional demeanor and strong problem-solving skills. We are excited to welcome Joe back to Tri County.

Jamie Harkness - HS/MS Behavior Interventionist

Mrs. Harkness joins our TC team as the HS/MS Behavior Interventionist. She comes to us from Newaygo Public Schools where she taught school for 23 years. Jamie earned her Masters degree from Central Michigan University. Jamie describes herself as a very efficient, enthusiastic, and motivated, and looks forward to sharing her leadership and vast experience to help the students and staff here at Tri County. We're excited to have Jamie join our TC family!

Keith Dreyer - HS Science

Mr. Dreyer joins our High School Science dept. this fall. He is a graduate of GVSU and earned his Master's degree in Biology from the University of West Georgia. Keith is also currently working towards his second Master's degree in Urban Education from Davenport University. He is delighted to join our staff after his experience in several different natural resource disciplines, as he feels there is no greater calling than teaching the fundamentals of science to young students. We welcome Keith to our TC family!

Educate • Encourage • Empower (E³)

GOOD THINGS ARE HAPPENING... NEW FACES AT TCAS

Hannah Loucks - MS English Language Arts

Hannah Loucks says that as future educator, student learning is very important to her, sharing that not only should students learn in her classroom, but she strives to inspire them to be life-long learners. Hannah will join the Middle School English dept, where she will teach 7th grade English. She earned her Bachelor of Science degree from Ferris State University, where she also ran for the Women's Cross Country and Track teams. Hannah is anxious to share her positive attitude and drive to make all student feel welcome.

Deanna Smith - K-5 Behavior Interventionist

Mrs. Smith makes the move from the classroom into the role of Behavior Interventionist for our K-5 elementary building, after having teaching in the classroom for the past 15 years. Deanna began her career here at Tri County as a Preschool and the 1st grade teacher. Deanna earned her Bachelor of Science degree from Western Michigan University, with several endorsements. We look forward to Deanna's expertise as she moves into this new role working with our students and staff.

Other District Information

Tri County Childcare

Tri County Child Care programs are now taking enrollments for before and/or after school care. Child Care is offered at Tri County Elementary and Tri County Middle School.

Monday through Friday

6:00 am until school starts /After school to 6:00 pm

AM - \$9 per session, \$3/add. Child

PM - \$9 per session, \$3/add. Child

AM/PM same day - \$16 per day

AM/PM same day - \$13 total cost for each additional child

For more information visit our website at www.tricountyschools.com.

School Delay Program Hours

When school has a delayed start before 6:00 a.m., TC Child Care will be open starting at 7:30 am to receive students. If delayed after 6:00 a.m. childcare will remain open until the start of school. This option is available even if you do not use TC Child Care on the regular basis. Parents wishing to use this service must have all required paperwork completed and on file prior to using this service. Cost for the School Delay Program is \$14.00 for one child, \$5.00 for each additional.

Scheduled Early Release Program

TC Child Care will be running Early Release Day childcare for school aged children (5-12) at Tri County Elementary and Tri County Middle School during the school year, for each of the scheduled early release days. Parents will be required to register separately to attend this program. The cost for the program is \$25.00 for the 1st child, and \$21.00 per child for each additional child. A non-refundable deposit of \$10.00 will be required per child/per date. This \$10.00 fee will be added to the child care account upon requesting care. For more information or questions contact Mikayla Schank, program director, at mschank@tricountyschools.com or visit www.tricountyschools.com.

Other District Information

Free School Meals Continue at TC!

We are pleased to share that Tri County Area Schools is participating in the National School Lunch and Breakfast programs for the 2023-2024 school year. ALL TRI COUNTY AREA SCHOOL students enrolled can receive a healthy breakfast and lunch everyday FREE OF CHARGE. This is a tremendous benefit for our Viking families.

Information regarding menus, household survey, viewing lunch accounts, and policies can be found by visiting our website at www.tricountyschools.com, and click on the lunch menu link.

EMERGENCY CLOSING INFORMATION

In clement weather, hazardous road conditions, power outages or other incidents may require the closing of school. However, there are strict state requirements on the number of hours of education for public school students. The state provides up to 30 hours for inclement weather/emergency closing. We are required to make up any additional hours. With student safety as our first priority, every effort is made to avoid school closings when possible. In bad weather, the decision to close school is made after:

- Road conditions are tested by the District Transportation Department,
- Weather conditions are examined (weather advisories, storm patterns, temperature, etc.),
- Montcalm County Road Commission's ability to plow area roads is determined, and
- The condition of school driveways and parking lots are assessed.

The Superintendent closes school based on the severity of these items coupled with our ability to transport our students safely.

When the District closes school or releases students early, we send out a robocall and email to all parents, notify the local TV news stations, and post closing information to our district social media outlets and our district website homepage. Please do not call your child's school.

Inclement Weather Guidelines

There are several principles that guide our decision-making with regard to school closings. First and foremost, is the safety of our students and staff.

On days when inclement weather occurs, we try our best to make the call by 5:00 a.m. to provide as much time as possible for families to be notified so that arrangements may be made for childcare, etc. Once the decision is made to cancel school we inform parents via our robocall system, email, local TV stations, our website and Facebook/Instagram pages. Decisions regarding school closings due to snow and ice are made after TCAS transportation staff make a recommendation regarding the ability of our buses and drivers to safely conduct their routes. It is possible that main roads will be drivable while our many miles of unpaved roads are not. We will close school if the air temperature with wind chill is expected to be at or below -20 degrees Fahrenheit while students are waiting for the bus or walking to school. As always, we encourage our students to dress in layers to protect themselves from the cold.

Annual Legal Notices

Notice for Directory Information Disclosure

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that **Tri County Area Schools (the “District”)**, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child’s education records. However, Tri County Area Schools may disclose appropriately designated “directory information” without written consent, unless you have advised the **District** to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the District to include information from your child’s education records in certain school publications. Examples include: A playbill, showing your student’s role in a drama production; The annual yearbook; Honor roll or other recognition lists; Graduation programs; and Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965, as amended (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student’s information disclosed without their prior written consent. **[Note: These laws are Section 9528 of the ESEA (20 U.S.C. § 7908) and 10 U.S.C. § 503(c).]**

If you do not want Tri County Area Schools to disclose any or all of the types of information designated below as directory information from your child’s education records without your prior written consent, you must notify the District in writing by September 15, 2023. For a list of information designated by Tri County Area Schools as directory information please visit www.tricountyschools.com.

Asbestos Management Program

This notice is to inform you that state-approved asbestos inspection and management plans exist for all buildings in the school district. These plans are in each building’s main office and are available for review.

The management plan contains information regarding the location of all asbestos-containing materials, the condition of the material, and the specific location of any remaining materials.

Detailed re-inspections occur every three years and periodic surveillance is performed every six months. These inspections have confirmed that all known asbestos is properly sealed and has not deteriorated so as to cause a safety concern. Our treatment of remaining asbestos is in conformity with all Environmental Protection Agency guidelines.

Pesticide Control Act

State of Michigan law requires that schools that may apply pesticides on school property must provide an annual advisory to parents or guardians of students attending the facility.

Please be advised that the Tri County Area Schools utilizes all suitable techniques in total pest management with the intent of preventing pests from reaching unacceptable levels or to reduce an existing populations to an acceptable level. Pest management techniques emphasize sanitation, pest exclusion, and biological controls. One of the objectives is to reduce or eliminate the need for pesticides to be utilized.

As required by State of Michigan law, advance notice of the application of a pesticide, other than a bait or gel formulation, will be given 48 hours before the application. Please note that notification is not given for the use of sanitizer, germicides, disinfectants or anti-microbial cleaners. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied without prior notice to prevent injury to students, but parents/guardians will be notified following any such application.

Advance notification of pesticide applications, other than listed above, will be given by using two methods. The first method required by law is the posting at entrances to your child’s school. The second method we will use is the posting in a public common area of the school.

Parents are also entitled to received this notice by mail, post-marked 3 days before the application. If you would like to be notified by mail, please contact Thomas Phinney, Operations Director, at 616-636-5454.

Annual Education Reports

The Michigan Department of Education requires all schools to publish an annual report to inform the residents about the status of their schools. This report provides detailed information on student assessment results, Adequate Yearly Progress results, teacher qualification information, and the state results for the National Assessment of Educational Progress.

You can view Tri County Area Schools Annual Education Reports by vising our website at www.tricountyschools.com.

Other Annual Notices

A complete list of annual notices and other policies can be found on the District’s website at www.tricountyschools.com

Annual Legal Notices Continued...

Right to Request Personal Curriculum

What is a personal curriculum?

The personal curriculum (PC) is a process to modify specific Michigan Merit Curriculum (MMC) high school credit requirements and/or content expectations based on the individual learning needs of a student. It is designed to serve students who want to accelerate or go beyond the MMC requirements and students who need to individualize learning requirements to meet the MMC requirements.

Who may request a personal curriculum?

- The parent or guardian of a student for whom a personal curriculum is sought
- The student, if the student is of the age of majority
- An emancipated minor
- A teacher who is currently teaching the student (who currently teaches in, or whose expertise is in, a subject area proposed to be modified by the PC, or who is determined by the principal to have qualifications otherwise relevant to developing a PC),
- A school counselor or school employee qualified to act in a counseling role.

When may a personal curriculum be requested?

If the student has an Individualized Education Program (IEP), the personal curriculum request may be submitted prior to 9th grade, although any resulting PC may not be implemented until the onset of 9th grade. The earliest submission timeline for all other PC requests is after the student has completed 9th grade. If the parent/guardian/student is interested in more information on the PC option, or would like to make a request for a PC, please contact Melissa Clegg, Special Education Director, at 231-937-4391, or email mclegg@tricountyschools.com.

Tri County Upholds CIPA Policy

The Children's Internet Protection Act (CIPA) requires schools and libraries to certify that they are enforcing a policy of internet safety that includes measures to block or filter Internet access for both minors and adults to certain visual depictions. References to CIPA are available on our website with the District Technology Plan, under Electronic Information Access and Use Policy, and on the website under Our District/District Policies and Notices.

Nondiscrimination Notice—Title IX and 504

It shall continue to be the policy of the Tri County Area Schools to comply with all federal laws and regulations prohibiting discrimination, and with all requirements and regulations of the U.S. Department of Education. It is the policy (Neola 2260) of the Tri County Area Schools Board of Education does not discriminate on the basis of race, color, national origin, sex (including sexual orientation, or transgender identity), disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, "Protected Classes") in its educational programs or activities.

The Board also does not discriminate on the basis of Protected Classes in its employment policies and practices as they relate to students, and does not tolerate harassment of any kind.

Equal educational opportunities shall be available to all students, without regard to the Protected Classes, age (unless age is a factor necessary to the normal operation or the achievement of any legitimate objective of the program/activity), place of residence within the boundaries of the District, or social or economic background, to learn through the curriculum offered in this District. Educational programs shall be designed to meet the varying needs of all students.

Any person having inquiries concerning the Tri County Area Schools compliance with the regulations implementing Title IX or Section 504 is directed to contact the District's Compliance Officers:

Melissa Clegg, Special Education Dir
231-937-4391
412 E. Edgerton St
Howard City, MI 49329
mclegg@tricountyschools.com

Joe Williams, MS Principal

jwilliams@tricountyschools.com

Tobacco Use/Products on School Grounds

In order to protect students and employees who choose not to use tobacco from an environment noxious to them and potentially damaging to their health, the Board prohibits the use of tobacco on District premises (owned or leased), in District vehicles, at all school-sponsored events and in all school buildings owned and/or operated by the District.

For the purpose of this policy, "use of tobacco product" means any of the following: the carrying by a person of a lighted cigar, cigarette, pipe, or other lighted smoking devices; the inhaling or chewing of a tobacco product; the placing of a tobacco product within a person's mouth; and/or the smoking of electronic, "vapor," or other substitute forms of cigarettes, clove cigarettes or other lighted smoking devices for burning tobacco or any other substance.

Tobacco companies/products may not sponsor any school activity.

The complete Board policy (Neola 7434) is available through our website at www.tricountyschools.com.
